**HOLY FAMILY**

*Dear Friends,*

Today in the Gospel reading from John 10, Jesus calls Himself the good shepherd, in that for His sheep He will lay down his life.

What does it mean for us that we have a tradition that says that God loves us enough to die for us? Certainly, in our day to day life we don't always experience a perfect life because of our God who loves us that much. People we treasure still suffer and die, we go through illness or financial distress or the loss of relationships. We might be hurt in our lives too because of being bullied in school or misrepresented by other people, etc. So, what is it that our God who loves us so much offering us?

To me we discover that assistance from God through practicing our faith....over time. Through trusting in God's presence and love and doing what we can foster the spiritual life and good people in our lives. Through reading Scripture, learning about the saints, praying, going to Mass, going to confession **AND THEN** putting our faith into practice by helping and loving others.

We see the benefit in the long run in our lives, not sometimes in the short term.

So, let us trust in the Lord this week and practice our faith, knowing that our God loves us even to the point of dying for us and so He is certainly always with us working for our good, along with all of those in heaven.

**Collection Report**  
*April 17th & 18th*  
**Offertory \$6,443**  
**Mortgage & Maintenance \$2,305**  
**Poor Box \$850**  
**Lighthouse Shelter \$1,029**

**STEWARDSHIP:** Offertory donations are essential for Holy Family's parish operations. We rely heavily on the Sunday offertory to maintain operational budgets, and fund staff positions and outreach activities in our community. Many of you have asked how to continue your support while you are unable to attend Mass in person. Holy Family uses Faith Direct to facilitate electronic giving directly to the parish accounts. If you are not already enrolled in Faith Direct you can use this link <https://membership.faithdirect.net/MD61> or use the link on the Holy Family website. You can join Faith Direct, using the Holy Family code of MD61 and make a one time or recurring donation from either your checking account or credit card. Options for giving include Offertory, Second Collection and special collections, such as Easter. Those of you who are already enrolled in Faith Direct can also use these links to increase your recurring donations if you believe that you are able to do this. Other options for supporting your parish include setting up your offertory donation through your personal online banking bill pay function. You may also mail your offertory envelopes to the Church office at Holy Family, PO Box 130, Davidsonville, MD 21035. If you have any questions or concerns, you may contact Donna at [office@hfccmail.org](mailto:office@hfccmail.org).

**PARISHIONERS 70½ YEARS AND OLDER:** Please remember that if you choose to make a charitable distribution from your traditional IRA account, Holy Family is qualified to receive such a distribution under applicable tax law. There are specific tax advantages for those over 70 and ½ years of age who choose to make these types of charitable donations. The donation must be made directly to the qualified charity and Holy Family will acknowledge each charitable donation in writing as required by tax law. **You should of course consult your tax advisor before making a federally tax-free charitable distribution from your IRA.**

**CONGRATULATIONS TO:** Luca Daniel Krug, son of Nathan & Kimberly, Francesca Lucia Caltabiano, daughter of Geaton & Emily & Reid Thomas Beery, son of Michael & Maureen as these children receive the Sacrament of Baptism this weekend.

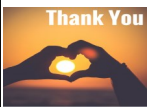

**NOW HIRING:** Holy Family is looking for a part-time person to fill our Building Maintenance position. This position consists of painting, cleaning, and other tasks at the parish. Would involve weekend work, Friday, Sunday, and Monday about 5-hours each day. The duties of the Holy Family Catholic Church Building Maintenance person cover the main Church and historic Chapel. A more detailed task list will be discussed with the applicant. Please reply to Louisa Woolery at [louisa.woolery@hfccmail.org](mailto:louisa.woolery@hfccmail.org) if interested, attaching work history and experience.

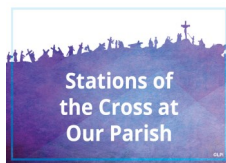

**STOCK DONATIONS TO HOLY FAMILY:** Donating appreciated stock is an efficient way to make a charitable gift. It's easy and it saves the donor from paying capital gains taxes. If you itemize your deductions you are eligible to deduct the full fair market value of the stock, up to IRS limits. With the stock market near all time highs, utilizing appreciated stock for charitable gifting is worth considering. Effectively you're able to contribute 20% more than if you sold the stock and paid capital gains taxes. Please contact Donna at [office@hfccmail.org](mailto:office@hfccmail.org) in the parish office for information on the process for doing this.

**CARING FOR CREATION: Did you know** it's important to clean out your birdhouses every Spring? A lot can happen inside over the Winter since last year. There are a half dozen Bluebird nesting boxes at Church. They really like that open field habitat. At home I have another half dozen nesting boxes of various types. Wren, Finches, Titmouse and Red-headed Woodpeckers are found in our yard. A few years ago a flying squirrel made a home in one of the boxes. **Boy, was she cute!** While cleaning out the nesting boxes, I have found swarming ants, a couple paper wasp nests, and lots of odd beetles. In some cases old nests were a soggy mess. A clean fresh empty house affords the best opportunity for a successful nesting season. Oh, I reached into one of the boxes out back of the Church and a nesting bluebird flew out screaming at the top of her lungs. I about fell over. Bluebirds often have multiple clutches in a season so a month or so after seeing birds using a house, it will get cleaned out again after the babies have fledged the nest. In the case of most cavity nesters, one egg is laid each day until the entire clutch is complete. Incubation will then begin. For bluebirds, incubation typically lasts approximately 12–14 days. After hatching, the chicks will remain in the nest for about **17–21 days**. There are lots of plans for nesting boxes on the internet that you can make out of scrap wood for free or pick up at the store.

**Thank You Thank you all for your generosity bringing shoes for the Lighthouse Shelter!** Your contribution can really make a difference in someone's life. When homeless, a man or woman spends much of their days on their feet, often doing odd jobs, looking for jobs or looking for their next meal. Fortunately, The Lighthouse Shelter does a lot of workforce training and works to get people into permanent housing. These **ATHLETIC** shoes can be life changing. Sizes 7 to 16 are appreciated. Blessings to you all.

**SPRING IS HERE!** Remember the Outdoor Stations of the Cross are at the rear of the Church. There are booklets there to help guide you in prayer as well and contemplation 24/7. There are several benches to just sit. The rear

parking area is now well lit with brand new low energy LED lights.
