~ *Pastor's Note* ~

Monies given to our Poor Box on the last two weekends of August were designated for Haiti Relief after the recent earthquakes which struck southwestern Haiti. A total of \$6,722.27 was collected from the Poor Box. This amount was matched by our SVDP Society for a total of \$13,444.54 being raised to help our Haitian brothers and sisters. I thank the parishioners for their generous response and the members of our SVDP Society.

I am happy to share with you that a parishioner, Michael Dailey, has joined our Parish Staff as a part-time Youth Minister, focusing on ministry to our Middle School Youth. Michael will also assist John Freidland, our Parish Youth Minister, in helping our parishioners to prepare our High School Youth for the Sacrament of Confirmation. I want to thank Lindsey Wilk for her ministry to our youth. She previously held this position before returning to college last month. **Michael, welcome to our Parish Staff!!**

The Walk & Run for Life 2021 will take place on Saturday, September 18th at Mid-Atlantic Community Church, 2485 Davidsonville Rd. in Davidsonville. The 5 mile timed trail run, life walk and kids races fundraisers will raise monies to continue to provide ministry at the local pregnancy clinic. If you would like to support our Holy Family Team, please go to their website at [walkandrun.org](http://walkandrun.org).

Blessings,

FZ Mike

He summoned the crowd with his disciples and said to them, "Whoever wishes to come after me must deny himself, take up his cross, and follow me. For whoever wishes to save his life will lose it, but whoever loses his life for my sake and that of the gospel will save it." Mk 8:34-35

**ADORATION MINISTRY NEWS:** Perpetual Eucharistic Adoration is when a parish sets aside a small room, in our case the Adoration Oratory, that is open 24 hours a day, 7 days a week, with the permanent exposition of Jesus in the Most Blessed Sacrament, the Holy Eucharist. **GIVE UP YOUR ENVELOPES!** We invite you to help your parish save money by giving up your offertory envelopes this Summer. **We know you'll be vacationing so why not have your givings electronically sent to the Church?** Enrolling with Faith Direct will provide Holy Family with consistent support and simplify your giving without the wasteful envelopes. Visit [www.faihdirect.net](http://www.faihdirect.net) and use our Church code: **MD61**. Thank you for your continued support of our parish family!

**9:15 CHOIR:** Rehearses Thursday evenings at 7:30pm in the Church of Holy Family from September to June The choir sings on Sundays at the 9:15am Mass; as well at Christmas Eve Mass; some Masses during Holy Week; Easter Vigil and Easter Sunday. The willingness to praise God's name in song as a team is all that's required!! Rehearsals began Thursday, August 26th at 7:30pm in the Church.

**MEN'S CHOIR:** Rehearses three Wednesday evenings [prior to the 1<sup>st</sup> Sunday of each month] at 7:30pm in the rehearsal space in the lower Church from September to June. The choir sings on the 1<sup>st</sup> Sunday of the month at the 11am Mass; also for Christmas Eve Mass and Holy Thursday. The willingness to praise God's name in song as a team is all that's required!! Rehearsals began Wednesday, August 25th at 7:30pm in the rehearsal space in the lower Church.

**CHILDREN'S CHOIR** (Choristers) to begin rehearsing in October 2021. Time and place of rehearsal to be announced in September 2021.

**CARING FOR CREATION:** Did you know worms are God's creatures too? Had the pleasure to attend a lecture put on by the Maryland Native Plant Society the other day. North of the glacial line which runs roughly thru New York, Pennsylvania, and points west, 100% of the worms found in the soil are introduced worms. South of that line which includes us, we are about 50-50 Native and introduced worms. About 80 species of worms move with us throughout North America. There are about 32 species from Europe and 16 from Asia.

They were initially brought over as ballast on ships and continue to be brought in through live plants shipped around the world. Worms lay eggs generally called cocoons that can stand extensive time in dry soil waiting for the right conditions to hatch and then move into the soil. Interestingly, smaller native worms go deeper and provide better pathways for water far down into the soil to meet the roots of trees and shrubs.

You know I have advocated for native plants for years. With worms, frankly it's too late. They have wormed their way into our ecosystem and are here to stay. This fall as you consider planting trees, shrubs and flowers, take a moment and look for our native plants. They require less maintenance, fertilizer and water.

Questions or ideas for future columns, email me at [christophergordon@verizon.net](mailto:christophergordon@verizon.net)
